### Background

Kirsten is an Institute of Chartered Accountants England and Wales chartered accountant and has worked in restructuring since 2019 in the Cayman Islands. Kirsten has experience with voluntary of solvent investment vehicles, provisional, and official liquidations and controllerships in the Cayman Islands. These engagements have included complex financial investigations, asset tracing, recovery actions both in the Cayman Islands and abroad and cross border recognition.

### Professional and industry experience

Kirsten has worked on the following engagements:

- Controllership appointment by the Cayman Islands Monetary Authority and subsequent court appointments as provisional and official liquidators of Cayman Islands insurance company, a segregated portfolio company holding an unrestricted class B insurer's license, offering both unit-linked life insurance and health insurance products.
- Official Liquidation of solvent Cayman Islands investment fund with portfolio primarily situated in LATAM.
- Voluntary Liquidation to Court-Supervised Liquidation of Cayman Islands fund, established for the purpose of owning and leasing aircrafts.
- Post chapter 11 official liquidation of a Cayman Islands' registered company in the oil and drilling industry.
- Voluntary Liquidation services, including attending to regulatory reporting obligations and distributions to stakeholders in compliance with the relevant laws of the Cayman Islands. In addition, preparation of CIMA audit waiver applications in respect to Cayman Islands registered mutual funds.

In addition to the above, Kirsten has 5 years United Kingdom audit experience.
