EXPERIENCE

Justices’ Law Clerk | Supreme Court of Singapore

JANUARY 2022 – PRESENT

- Providing members of the Supreme Court bench with research and drafting assistance.

Deputy Public Prosecutor / State Counsel | Attorney-General’s Chambers, Singapore

SEPTEMBER 2021 – DECEMBER 2021

- Prosecuted a wide range of criminal matters, including white-collar crimes.
- Provided legal advice to the Singapore Police Force in their carrying out of investigations.

Research Assistant | NUS Faculty of Law

JUNE 2018 – AUGUST 2021

- **RA for Dr. Lin Lin:** Researched on (1) the use of soft law and its impact on the growth of private equity and venture capital industries and (2) China's attempts to develop its green bond, private equity and venture capital industries. My research and proofreading contributed to the publication of 'Venture Capital Law in China' (Cambridge University Press, 2021).
- **RA for Professor Stanley Yeo:** Researched on criminal law in Sri Lanka, Singapore and Malaysia. My research contributed to the publication of 'Criminal Law in Sri Lanka' (LexisNexis, 2019).

Software Development & Legal Research Intern | tesseract.io

MAY – JULY 2020

- Coded document templates for the automatic generation of customised client documents.
- Ran system tests on the software's web and mobile applications.

Banking & Finance / Dispute Resolution Intern | Clifford Chance

JULY 2019

- Drafted a client brief on digital banking licenses in Singapore.
- Researched on procedural issues for an SIAC arbitration involving a complex syndicated lending scheme. My research was used in the hearing.

Commercial & Corporate Disputes Intern | WongPartnership

JUNE 2019

- Researched on conflict of laws issues for a Vietnamese arbitration involving one of the largest e-commerce companies in Southeast Asia. My research was used in the hearing.
- Compiled case law for the IBA Working Group on the UNIDROIT Principles of International Commercial Contracts.

Commercial Litigation Intern | Rajah & Tann

MAY 2019

- Drafted pleadings for Singapore's first cryptocurrency trial, *B2C2 v Quoine* [2019] SGHC(I) 03. I researched on novel issues such as how to assess the value of bitcoin given its volatility.

Financial Services / Dispute Resolution Intern | Baker McKenzie.Wong & Leow

DEC 2018

- Updated the compliance matrix of a global investment management firm
- Identified factual inconsistencies across various witness statements in an arbitration involving a multinational conglomerate. These inconsistencies were eventually a key point of contention during the hearing.

Future Law Innovation Programme Intern | Singapore Academy of Law

JUNE – JULY 2018

- Led the publication of a Legal Technology Handbook that identified ways in which law firms can leverage on emerging technologies to optimize client experience.

ACTIVITIES

Moot Coach | NUS Law Mooting Alumni Initiative

MAY 2019 – PRESENT

- The teams I personally coached for the IASLA Space Law Moot Court Competition 2019 and ALSA International Moot Court Competition 2019 both finished as one of the top 2 teams in their respective competitions.
- Currently providing ad hoc coaching to the team for the Philip C. Jessup International Law Moot Court Competition 2022.

Tutor

FEBRUARY 2017 – AUGUST 2021

- Tutored seven students of diverse backgrounds and in a variety of subjects from primary, secondary and tertiary levels, over the course of more than four years.

Vice-President | NUS Law Mooting & Debating Club

MAY 2017 – MAY 2019

- Pioneered new initiatives such as speakeasys that aimed to instill interest in mooting to the larger school population.

Columns Editor | Justified Club (Faculty Editorial)

MAY 2017 – MAY 2019

- Managed the publication of editorial material for the Faculty's student-run editorial website.

Legal Clinic Volunteer | NUS Law Pro Bono Group

AUGUST 2017 – FEBRUARY 2018

- Researched on divorce and insolvency proceedings to aid lawyers in dispensing free legal advice to members of the public.

LANGUAGES AND SKILLS

- English (Native)
- Mandarin (Proficient)
- Japanese (Able to understand Japanese texts and converse in simple Japanese)
- French (Able to understand simple French texts)
