WORK EXPERIENCE

**September 2016
to present** **MALAYSIA DEPOSIT INSURANCE CORPORATION (MDIC)**
SENIOR LEGAL COUNSEL

Responsibilities:

MDIC is a statutory body with the mandate to administer deposit insurance to protect bank depositors and owners of insurance policies in the event of a failure of its member institutions. The work includes:

- Reviewing and drafting legislation to implement and operationalise policies of MDIC and ensuring MDIC legislation remains relevant and effective;
- Identifying legal risks and advising MDIC on all matters, including in respect of its policies, powers as well as its operations;
- Drafting and review of contracts and other legal documents.

**September 2005
to
December 2015** **MESSRS SHOOKLIN & BOK, ADVOCATES AND SOLICITORS**
BANKING AND FINANCE LITIGATION DEPARTMENT

Responsibilities:

The Banking and Finance Litigation department is a team dedicated to the resolution of any disputes involving banking and financial institutions and securities companies. The work done included:-

- Attending to various disputes and legal actions involving banking and financial institutions, such as defence work in suits against the institutions, loan recovery proceedings and enforcement of security/collateral
- Advising banking and financial institutions on all matters, including on Islamic financing, debt restructuring arrangements, sale and acquisition of non-performing loans and general contractual disputes.
