To whom it may concern

I am writing this letter to highly recommend Mr. Siddharth Praveen Acharya, a distinguished lawyer practicing in the Supreme Court of India and in a multitude of tribunals, who aims to specialize in Insolvency Law. I have had the privilege of working closely with Siddharth for three years, from 2020 to 2023 on Cross Border Insolvency Transactions.

During our collaboration, Siddharth demonstrated exceptional legal acumen and a keen interest in the intricacies of Insolvency Law. His dedication and commitment to his work were truly commendable. Siddharth's expertise and competence were evident in every matter he assisted me with, which primarily involved complex issues pertaining to avoidance transactions and creditors and their claim.

As a litigator, Siddharth has handled a myriad of domestic and international Insolvency Transactions independently, representing reputed Banks and Non-Banking Financial Institutions. His professionalism and attention to detail were invaluable assets to the success of these transactions. I can confidently vouch for his impressive credentials and remarkable ability to grasp and master legal concepts swiftly.

One of Siddharth's ambitious aspirations is to become a Fellow of the esteemed institution INSOL International, and he is determined to achieve this milestone by enrolling in their fellowship course of 2023-2024. I wholeheartedly support his endeavour and firmly believe that he possesses all the qualities and expertise required to excel in this course.

I am certain that Siddharth's passion for Insolvency Law and his dedication to the legal profession will continue to propel him towards greater heights. I wish him

the best of luck in all his future endeavours, and I am confident that the prestigious fellowship course of INSOL International will be a significant milestone in his illustrious career.
