FTI Consulting (Australia) Pty Ltd, Corporate Finance & Restructuring

Junior Associate	05/2016-02/2018
Associate	02/2018-04/2019
Consultant	04/2019-Present

- Providing advisory services for stressed and distressed companies through formal and informal appointments such as independent business reviews, receiverships, voluntary administrations and liquidations.

Examples

- Independent business reviews
 - Lender review of likelihood of return of investment in distressed ASX listed gold miner.
 - Business viability options available for a group operating two pharmacies.
 - Lender due diligence for service of loans for new business in retail.
 - Receiverships
 - 18 month trade and sale on of an independent supermarket with turnover of circa \$12m, including trading during initial outbreak of COVID-19. Involved the development of procedures, responsiveness to change and management of 60 staff members.
 - Refinance of secured creditor debt for a rent roll located in Perth.
 - Voluntary Administrations
 - ASX listed debt for equity swap and turnaround of junior gold miner in Indonesia.
 - Sale of national paint distributor operating 13 stores with turnover of \$35m.
 - Liquidations
 - Members voluntary liquidation of ASX listed technology company with above US\$100m in assets. Involved individually working out of the San Francisco head office to oversee the initial appointment and termination of staff, securing assets and winding down operations.
 - Lead small engagements in relation to formal appointments from start to finish under Australian insolvency legislation.
- Work internationally across matters in the United States, Zambia, United Kingdom and Australia.

Examples

- Forensic investigation into TSX listed company regarding alleged illegal importation of mining equipment into Zambia. Sent to work in Lusaka, Zambia alongside the company's staff, management, auditors and local authorities to provide assurance of the company's position.

- Assist with preparing pitches and research into global multi metals business as experts for Australian elements. Involved working with UK, US and Australian team.
- Financial and trading analysis of companies in multiple industries including mining, retail, technology, and property.
- Solvency analysis of mining contractor to support litigation claims.
- Complex personal bankruptcy experience including litigation support and realisation of assets.
- Overseeing performance and provide training for junior staff.
- Develop strong working relationships with internal and external stakeholders.
- Ambassador for local recruitment including attending career fairs, interviewing candidates and resume reviews for graduates.
- Participated in excel modelling training through a number of providers.
