Qualified to practice law in the Philippines, I have 16 years of legal practice experience with extensive experience on business establishments in the Philippines, deal structuring, mergers and acquisition, non-contested employment and immigration matters, data privacy, general corporate, licensing and regulatory matters. My niche area is assisting foreign investors intending to expand its operations in the Philippines. I have advised and assisted clients from ASEAN countries, Japan, China, India, UAE, USA, UK, and EU-member countries, representing broad industries, including manufacturing, engineering and construction, BPO, TMT, charities/NGO, real estate, F&B, and professional and financial services.

I have worked in Singapore for about 8 years, and currently working between Philippines and London.

My academic degrees in Accounting, Laws, Master of Business Administration, and Master of Laws have equipped me to provide a commercially sound legal advice.

I and my team are committed to delivering globally competitive legal services on Philippines legal matters.

A member of Integrated Bar of the Philippines and International Bar Association.
