Recommendation for Lloyd Dutton

I am Geoffrey Abrahams and I am pleased to recommend Mr Dutton as one who is fit and proper to be enrolled as a candidate attorney.

I was admitted as an attorney in 1984 and practised until 1998 when I was appointed as a magistrate and retired as a regional magistrate in July 2016. In 2018 I was appointed as a lecturer at Varsity College.

During 2020 I facilitated his final-year Constitutional Law and Jurisprudence modules.

I found him to be an eager, critical and disciplined learner who maintained a consistent work ethic that placed him among the high achievers of his cohort.

I am unable to comment on his performance in his other modules however, he showed keen legal instincts and an appreciation of the rigours that legal reasoning requires, in the modules I facilitated.

In addition, Lloyd has shown a social consciousness and cross-cultural engagement that is uncommon amongst his peers.

I consider all the above as good starting-points, as these attributes can be developed further as he is exposed to the different streams of practice.

I have full confidence in his abilities to develop into a competent practitioner who will contribute meaningfully to the profession and to society.

For all the above reasons I conclude that he is indeed a fit and proper person to enter the profession.

You are welcome to reach me telephonically at 083 978 5998 or by email at Geoffrey.abrahams@gmail.com

Yours faithfully

TO WHOM IT MAY CONCERN

I, the undersigned, MCL Byron, a law lecturer for UNISA and University of the Free State, do hereby state that the academic records of Lloyd Dutton indicate him to be a fit and proper person to serve in the legal profession.

Over the four years that I lectured Lloyd I found Lloyd to be a dedicated and enthusiastic person who always gives of his very best. His character traits such as honesty, trustworthiness, reliability, punctuality, attention to detail and propensity for hard work are beyond reproach. He is also courteous and well mannered.

One of Lloyd's greatest strengths is his ability to communicate with people of all races, at all levels, ages and genders, with equal ease.

I write in my capacity as Programme Manager : Law at The Independent Institute of Education's (The IIE's) Varsity College, Westville campus.

I lectured Lloyd Dutton on various modules during the course of his University of Free State LLB degree studies from 2016 to 2020 through The IIE's Varsity College.

To Whom It May Concern,

I am pleased to be writing on behalf of Lloyd Dutton. Lloyd has worked with our company, Accelerate Learning, for the past five years. I am the extremely lucky project manager that has had Lloyd on my team. Over the course of his time with us, we have been able to learn a great deal about him and his abilities. I would highly recommend Lloyd for any position he is interested in to further his future.

Lloyd is a very independent and internally motivated individual. As a partner with Rice University, our company develops a science curriculum for teachers all over the world. Lloyd has been a remote worker and without his hard work and dedication, our product could not be made. He is excellent at taking instructions and asking clarifying questions. He always completes his job in a timely manner and it is always high-quality work. Lloyd has been responsible for a vast number of different assignments during his time with us; there is really nothing that Lloyd cannot do.

Compared to other remote workers that we have here at Accelerate Learning, Lloyd is definitely at the top. He also takes the lead to explain tasks and assignments to other remote workers, making him a leader that we depend on.

It is with honor that I recommend Lloyd.

Sincerely,
Bonnie Duhé
