Instructions on checking the validity of the digital certificate

To verify that this document is untampered and issued by the Singapore Management University, please open this document in Adobe Acrobat (v6 and above) or Adobe Reader (v6 and above).

Valid and certified by Singapore Management University

Certified by Certified by Registrar's Office - Officer 4 <registrar@smu.edu.sg>, Singapore Management University, certificate issued by Netrust CA 2-1.
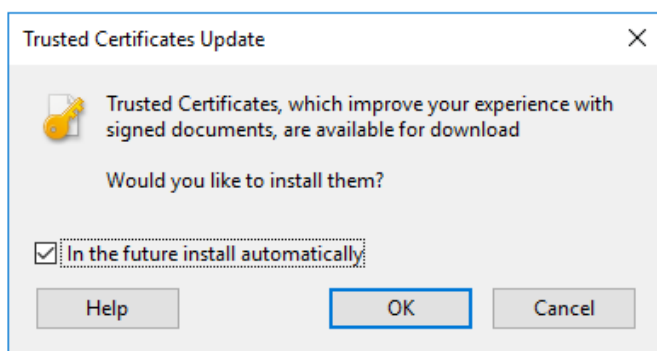

A blue ribbon indicating that the certificate is issued by Netrust CA and certified by Singapore Management University will appear if the document is authentic. In Singapore, Netrust is the only provider of trusted digital IDs under the Adobe Approved Trust List (AATL) programme.

To view the current list of AATL members, please click here.

Unknown validity

The validity of the document certification is UNKNOWN. The author could not be verified.

If a blue ribbon indicating that the validity of the document certification is unknown is shown, please ensure that you have an active internet connection and click on "OK" when you see the popup as shown below. You may wish to tick the checkbox to automatically update the list of trusted certificates from the AATL members:

After clicking on the "OK" button, please reopen the document in Adobe Acrobat or Adobe Reader. If the validity of the certification is still unknown, reject the document.

Invalid certification

Certification by Certified by Registrar's Office - Officer 4 <registrar@smu.edu.sg> is invalid.

Reject the document if a blue ribbon indicating that the certification is invalid appears. This may mean that the document has been tampered with.

In all cases of invalid certification, reject the document.
