### SUMMARY

I am an Associate at Clifford Chance. I was admitted as a solicitor of the Supreme Court of Western Australia in July 2018, and have over six years of dispute resolution experience.

### ASSOCIATE AT CLIFFORD CHANCE

MAR 2019 - PRESENT

### LITIGATION AND REGULATORY EXPERIENCE

- **Lead Associate** advising an **oil & gas super major** in relation to its contentious exit from a JV in relation to a proposed nine figure LNG project on the East coast of Australia. In particular, my role involved analysing and advising the company on its legal position pursuant to Australian law, studying the personality and temperament of the counter party iron ore magnate, designing the exit negotiation strategy, and drafting the ultimate share sale agreement and deeds of settlement.
- **Discovery Associate** acting for **Herbert Smith Freehills** in relation to defending a nine figure claim for alleged professional negligence arising out of the collapse of the Arrium Group of companies. In particular, my role involved managing a team of 17 paralegals, three junior lawyers, and two technical support staff full-time for a period of three months in relation to reviewing 55,000 documents in response to 32 discovery categories, masking all confidential and personal sensitive data, and providing the client with weekly updates for each of the seven production tranches.
- **Lead Associate** acting for a **prominent Australian wine maker** with revenue of eight figures p.a. to China in relation to an investigation launched by the Ministry of Commerce of the People's Republic of China (MOFCOM) into Australia's wine making industry. In particular, my role involved analysing and advising the company on its legal position in accordance with WTO law and MOFCOM regulations, drafting appeals to MOFCOM, and coordinating the response to MOFCOM questionnaires.
- **Liability Associate** acting for the **Chairman of Forge Group Ltd** in relation to a directors duty claim brought against the directors arising out of the collapse of the ASX 200 company. In particular, my role involved drafting the Chairman's defense in the case.

### COMMERCIAL AND ISDS ARBITRATION EXPERIENCE

- **Lead Associate** acting for **Sundance Resources Ltd** in relation to a ten-figure claim against the Republic of Cameroon and the Republic of the Congo concerning the expropriation of the large scale Mbalam-Nabeba iron ore project. In particular, my role involved bringing in the client and negotiating the litigation financing for the claim, and currently involves oversight of the liability and quantum workstreams (under counsel supervision), developing and implementing the case strategy, and liaising with the Tribunal, experts, witnesses, and the litigation funder.
- **Quantum Associate** acting for **Tantalum International Ltd** and **Emerge Gaming Ltd** in relation to a nine-figure claim brought against the Arab Republic of Egypt in relation to the expropriation of a large tantalum mine. In particular, my role involves working with experts to model the likely value of the mine, and the likely award value to the client should they ultimately be successful on liability, and advising the client in relation to the same.

## OTHER EXPERIENCE

---

### TRAINEE SOLICITOR AT CC

MAR 2017 - MAR 2019

- **Projects:** assisted in drafting and negotiating a wide range of agreements, from term sheets to deeds of settlement, including JVs, SPAs, GSAs, GTAs, general supply agreements etc.
- **Regulatory Compliance:** assisted in drafting the defense in relation to an alleged failure to comply with continuous disclosure requirements.
- **Asset Finance:** took carriage of certain work streams on multiple nine figure deals (essentially just actioning 200+ emails a day).
- **Arbitration:** assisted in drafting multiple pleadings, with oral advocacy and experience limited to academic presentations.

### CLERK AT BENNETT AND CO

JAN 2015 - DEC 2016

- Worked two days a week in my final two years of law school, **drafting 3-4 legal research memos a day** on particular points of law.

**TO WHOM IT MAY CONCERN**

**ADRIAN RICHARD FOURIE**

I advise that the Supreme Court of Western Australia is the admitting authority in the State of Western Australia.

Pursuant to Part 4, Division 4 of the *Legal Profession Act 2008 (LPA)*, the Legal Practice Board of Western Australia (**Board**) has the statutory responsibility to assist the Supreme Court of Western Australia in the assessment of the fitness and propriety of an applicant for admission. The Board also maintains and publishes a record of the Roll of Practitioners kept by the Supreme Court of Western Australia and maintains a register of matters dealt with by the Legal Profession Complaints Committee.

I confirm that Adrian Richard Fourie was admitted to the legal profession in this jurisdiction and was so admitted on 16 July 2018 having passed all qualifying examinations required by the rules in force in Western Australia for a person to be admitted to the legal profession by the Supreme Court of Western Australia.

There are no records in this jurisdiction of any conviction or any disciplinary proceedings against Mr Fourie and no disciplinary proceedings are currently pending against him for any misconduct in the course of the practice of law. According to the Board's records, Mr Fourie's name has never been removed from the Roll of Practitioners of the Supreme Court of Western Australia and no Order has ever been made suspending him from legal practice.

The Board is unaware of Mr Fourie being declared bankrupt; however further enquiries regarding bankruptcy may be made through the Australian Financial Security Authority website, found at <https://www.afsa.gov.au/>.

Mr Fourie held a restricted local practising certificate from 17 July 2018 to 12 October 2021 and holds an unrestricted local practising certificate effective from 13 October 2021 to present. Mr Fourie's current practising certificate is subject to the condition that he cannot engage in legal practice as a principal of a law practice (within the meanings provided in the LPA) until he has successfully completed a practice management course approved by the Board.

Yours faithfully

**Libby Fulham**
