

Current Modules

The results for your current modules are below.

Coursework and other class based assessments will be available as soon as the work has been marked. Formal examination results will not be available until your results publication date.

Academic feedback may be available for some of your modules. If feedback is available an icon (📎) will appear next to the module. Please click on icon to display module feedback.

If you are referred or deferred, information about repeat work will be available. Click on referred or deferred next to the piece of work for further information on these results.

If you have any questions about the results shown on this page, please contact your school office in the first instance.
