To Whom It May Concern,

Re: Leslie T. Gladstone, Bar No 144615

Dear Sir or Madam,

I am an attorney licensed to practice in the State of California since 1989. I do hereby swear to the following facts:

- (1) I obtained my Bachelor of Arts Degree in 1985 from Simon Fraser University in Burnaby, BC Canada. I obtained a double major in Criminology and Psychology.
- (2) I obtained my Juris Doctor Degree in 1989 from Pepperdine School of Law in Malibu, California. I have uploaded a true and correct copy of my law school degree.
- (3) My BA Certificate has been lost. I am working on obtaining a replacement transcript of degree certificate from my school but it will likely take some time due to the passage of time.
- (4) Please accept my application for the Foundation in International Insolvency despite that I have not uploaded my undergraduate certificate.

I swear that the above facts are true and correct under penalty of perjury.

Sincerely,

Leslie T. Gladstone
