Question 4.1 [4 marks]

Gambling Corporation is incorporated and has a principal place of business in Greece and it operates casinos and betting parlors in many international cities, including Athens, Las Vegas, London and Macau. Gambling Corp's bonds (governed by English law) are due to mature in one (1) year, but it is unable to repay or refinance them. Gambling Corp is considering using an English scheme of arrangement to restructure the bonds.

Discuss whether the English scheme of arrangement could be granted recognition under US chapter 15 as a foreign main or foreign non-main proceeding.

Since Gambling Corporation is incorporated and has a principal place of business in Greece, its Centre of main business is in Greece, therefore the main proceeding shall be the Greek main proceeding and the English scheme of arrangement could be granted recognition under US chapter 15 as a foreign non-main proceeding.

Question 4.2 [5 marks]

Oil Corporation is incorporated in Delaware and has its principal place of business in Texas. Oil Corp is facing a number of challenges to its business. First, ShipCo, one of its key customers, has filed a breach of contract lawsuit in Texas state court alleging that Oil Corp sold it contaminated oil that caused USD 1 billion in damage to ShipCo's container ships. Second, the US Department of Justice is investigating whether Oil Corp illegally purchased oil from countries subject to US sanctions. Third, Oil Corp. has missed a payment on its secured loan from USA Bank, and USA Bank is threatening to foreclose on an Oil Corp refinery located in the Philippines. Fourth, because of all these distractions, Oil Corp has forgotten to pay rent on its Houston, Texas office space and its landlord is threatening to evict it. What would be the effect of Oil Corp filing a chapter 11 petition on each of these four situations?

The filling of a chapter eleven petition grants automatic stay to debtor and its scope is large and applicable worldwide.

The law suit from ShipCo would be stayed, since automatic stay prohibits litigation on prepetition claims; US Department could continue its investigation since criminal proceedings are not subject to automatic stay; Usa Bank would be forbidden to obtain possession of assets from the state and Texas landlord could initiate the eviction process.

Question 4.3 [6 marks]

Oil Corp thinks it will get the highest return for the plastics manufacturing business if it can (i) assume and assign the trademark license; (ii) reject the patent licenses so the purchaser has the exclusive right to use the patents; and (iii) sell the manufacturing facility free and clear of the USA Bank lien. Can Oil Corp achieve each of these goals without the consent of Plastic Corp and USA Bank? Why or why not?

No. Via 363 sale, the debtor need the consent of Plastic Corp, because federal trademark law bans the assignmets of trademark licenses absent licensor's consent and the consent from USA Bank, pursuant 363 (f), since it is a secured creditor.
