Dear Alex

Case Study II Results

Case study II results have been finalised and approved by the core committee. Your mark for Case study II was **9.5** which is graded as **Excellent**.

Below is an evaluation of your paper by the examiner.

Good form, very professionally presented and clear. Main problems well identified and fleshed out. The excellent treatment of the detail makes this analysis sterling. It goes into the detail of the debt (and the syndicate) and factors in relevant issues that hardly any other student did. The student's granular approach to advice provides clarity and certainty. Analysis is thorough and deep, and it is original in some parts. An excellent paper all around.

We are pleased to inform you that you passed Case study II as the required pass mark was 5.00. Congratulations!

Kind regards
