Dear Anju

### **Case Study II Results**

Case study II results have been finalised and approved by the core committee. Your mark for Case study II was **5.0** which is graded as **Passable**.

Below is an evaluation of your paper by the examiner.

**Serious engagement, (creative) thinking about what an overall solution, restructuring might look like. Some good discussion and reasonable understanding of key frameworks, but not the fullest grasp.**

**Structure of the advice is not the clearest possible. Lacks some of the feel of a professional advice to client. Limited engagement with solution for recognition issues. stops short of a full, coherent, comprehensive strategy to fully achieve the objectives. Lacks consideration of the 'special issues' such as FIA, licenses...**

We are pleased to inform you that you passed Case study II as the required pass mark was 5.00. Congratulations!

Kind regards
