Dear Francisco

Case Study II Results

Case study II results have been finalised and approved by the core committee. Your mark for Case study II was **8.0** which is graded as **Very Competent**.

Below is an evaluation of your paper by the examiner.

The form is good, but there is too much unnecessary repetition of facts. Many parts of the description can be said in fewer words (he client already knows the facts). The strategy and the analysis is excellent: thorough, deep and granular. Advise is justified well and argued persuasively. In fact, perhaps the paper is more of an analytical theoretical piece than advise given to a client. Unclear why it is necessary to use long paragraphs explaining general concepts such as automatic stay, cram down, etc. The paper is slightly too focused on American law.

We are pleased to inform you that you passed Case study II as the required pass mark was 5.00. Congratulations!

Kind regards
