Dear Peter

Case Study II Results

Case study II results have been finalised and approved by the core committee. Your mark for Case study II was **9.0** which is graded as **Excellent**.

Below is an evaluation of your paper by the examiner.

The form is all around excellent: professional structure, main issues clearly identified, solutions clearly described and justified. Very clear and precise language. The legal analysis is good. Perhaps too much background analysis for a client in real life. Quotes could be improved, and the case solution shows perhaps some confusion concerning the Directive. The student however demonstrates thorough knowledge and understanding of the subject and includes sophisticated arguments.

We are pleased to inform you that you passed Case study II as the required pass mark was 5.00. Congratulations!

Kind regards
