Dear Urmika

Case Study II Results

Case study II results have been finalised and approved by the core committee. Your mark for Case study II was **8.5** which is graded as **Very Competent**.

Below is an evaluation of your paper by the examiner.

Clear structure; succinct, direct language. Well written. Good consideration of available tools, limitations, recognition issues (Gibbs, Brexit). Good use of source materials and case law.

Direct and structured engagement with the questions posed, including good application of the rules to the facts of the case.

All in all, the advice contains very good and valid points and a thorough consideration of many relevant issues, and valid, elaborated arguments, but stops short of a full, coherent, comprehensive strategy to fully achieve the stated objectives, especially moving the team to Malaysia. Lacks some consideration of the 'special issues' such as FIA, licenses...

We are pleased to inform you that you passed Case study II as the required pass mark was 5.00. Congratulations!

Kind regards
