Dear James,

### **Case Study I Results**

Case study I results have been finalised and approved by the core committee. Your mark for Case study I was **6.5** which is graded as **Competent**.

Below is an evaluation of your paper by the examiner.

**Could have elaborated more on certain questions. A bit on the short side as compared to other contributions by fellow students. Still, sufficient for a first-time case study of the course.**

We are pleased to inform you that you passed Case study I as the required pass mark was 5.00. Congratulations!

Well done!

Kind regards
