PART 2 - SEQUESTRATION (40 MARKS)

QUESTION 2

Questions 2.1 - 2.9 are based on the set of facts provided below. Answer ALL the questions.

Mr and Mrs Solar were married to each other out community of property in 2012. They reside in a four-bedroom property in an upmarket country estate on the beautiful east coast in Ballito, KwaZulu-Natal. The immovable property is subject to a mortgage bond in favour of ABC Bank. The marital home is fully furnished and the Solar's acquired some beautiful luxury and antique furnishings during the course of their marriage. In the latter part of 2021 Mr Solar donates a valuable and timeless Victorian sofa and server to his wife which she proudly exhibits in the home. The remaining furniture and antiques have been paid for in cash, apart from the photocopier in the home office which is subject to a lease agreement concluded with Speedy Copiers (Pty) Ltd by Mr Solar.

Mr Solar also owns a small apartment in Florence, Italy where the family enjoy spending their annual holiday.

Mr Solar drives a 2022 BMW X5 which was purchased on instalment sale agreement and financed by FCM Vehicle Finance Ltd. Mrs Solar drives a 2016 Hyundai i20 which Mr Solar purchased from Mr Green in terms of an ordinary credit sale agreement. The agreement was concluded on 5 August 2022. Mr Solar paid a deposit in the sum of R20,000 and by agreement ownership in the vehicle had passed on delivery. The balance of R80,000 is due to be paid by way of monthly instalments of R10,000 each until the balance is paid, to date, Mr Solar has paid R40,000 in terms of the agreement.

On 5 December 2022 and after being pressured by Mr Hasty, an irate creditor who loaned Mr Solar money, Mr Solar delivers one of his valuable antique clocks to him to settle his debt in full.

On 5 January 2023 an application for the sequestration of the estate of Mr Solar is filed in the KwaZulu-Natal High Court Division, Durban at the instance of Axit Finance in respect of an unpaid personal loan. Mr Solar's estate is provisionally sequestrated on 15 January 2023 and the order is made final on 20 February 2023.

On the date of sequestration Mr Solar is a director of an accounting firm, Sum-It-Up (Pty) Ltd and earns a generous salary of R120,000 per month. Mrs Solar works at the local high school as a teacher and earns R25,000 per month.

Two months after the final order of sequestration is granted, Mr Solar inherits R500,000 from his father, which inheritance he accepts on 1 May 2023. Mrs Solar decides to resign from her position at the local school and receives a pension pay out of R600,000. Mr Solar has a life-insurance policy in terms of which he is the life insured. The surrender value of the

policy is R800,000 and the policy has been in force from 1 February 2018. In December 2022 a job opportunity as a sales representative, earning an average income and just sufficient for Mr Solar to support his family, becomes available to Mr Solar and the Solar family decide to relocate to Gauteng.

Ms Abel is appointed as the provisional trustee of Mr Solar's estate and the trustee's appointment is made final at the first meeting of creditors on 10 April 2023. The second meeting of creditors is held on 5 June 2023. Axit Finance fails to lodge its claim at either the first or second meeting and approaches Ms Abel on 6 September 2023 to prove its claim.

Question 2.1

On the date of the sequestration order of Mr Solar, the principle known as *concursum creditorum* will apply. Explain the concept of *concursum creditorum* and how this will affect the creditors of the estate. In your answer refer to relevant case law. (4)

[The case of *Walker vs Syfret* 1911 AD 141 at 1, 66 explains the concept *concursum creditorum* in that the sequestration order freezes, casts in stone or crystallises the insolvent's position. The law lays hold of the estate, and this means all the creditors' rights are considered, not one above the other or to the prejudice of another, but instead the law ranks which claim should be paid and in which order according to the insolvency law from the proceeds of the insolvent estate.] 4

Question 2.1

Write a short paragraph and explain what possible remedy is available to Ms Abel to deal with the antique clock which Mr Solar delivered to Mr Hasty in full and final settlement of his claim. In your answer refer to the relevant section of the Insolvency Act that will apply and what requirements must be met. (7)

[Section 29 of the Insolvency Act 24 of 1936 refers to that transaction as a voidable preference, it's a disposition without value, Ms Abel can apply to have the disposition set aside as it prefers one creditor above the rest as it was made within six months of the sequestration. The antique clock is an item of value and its disposition diminishes the estate's value.]

Section 30(1) deals with undue preferences (1) - the trustee must prove (1) - (a) that there was a disposition of property (1) - (b) that was made any time before sequestration (1) - (c) at a time when the insolvent's liabilities exceeded his assets (1) - (d) that the disposition was made with the intention of preferring one of his creditors above another (1) - (e) the trustee must also prove the subjective intention of the debtor, which can be shown that the debtor was aware of the debtor's insolvent estate or contemplated sequestration but nevertheless made the disposition (1)

Question 2.2

Axit Finance, as the applicant creditor seeking a provisional order of sequestration against Mr Solar, must meet specific requirements outlined in section 10 of the Insolvency Act. Write a short paragraph setting out the requirements that must be met. (5)

[Axit Finance must ensure that it has a liquidated claim of not less than 50 pounds, it must ensure that it can prove on a balance of probabilities that Mr Solar has committed an act of insolvency or that he is insolvent, and lastly, it must show that the sequestration will be to the advantage of all the creditors.] 4

Question 2.3

With regards to the inheritance that Mr Solar receives from his father after the sequestration order, explain whether the R500,000.00 inheritance will vest in the insolvent estate. In your answer refer to relevant case law. (3)

[An inheritance that devolves upon an insolvent before they are rehabilitated falls into the insolvent estate, the R500 000 was accepted by Mr Solar on 1 May 2023 when the final order of sequestration was already in force, hence the R500 000 will form part of the insolvent estate. The case of *Wessels NO vs De Jager* refers.] 2

Question 2.4

For the purpose of this question, assume that Mr and Mrs Solar are married **in community of property** and their joint estate was sequestrated. Explain whether the pension pay-out of R600,000 that Mrs Solar receives will vest in the joint insolvent estate. In your answer refer to the applicable section of the Insolvency Act that applies. (2)

[Section 23(7) of the Insolvency Act 24 of 1936 states that the insolvent may for his or her benefit recover any pension to which he or she may be entitled for services rendered by him or her. Mrs Solar's pension benefit will not form part of the joint insolvent estate.] 2

Question 2.5

With reference to the motor vehicle driven by Mrs Solar, briefly explain whether ownership of the vehicle vests in the insolvent estate at the date of sequestration. Additionally, discuss whether Mr Green would have a claim against the estate in respect to the vehicle and, if so, specify the type of claim he would have. (4)

[The vehicle vests in the insolvent estate as ownership passed upon delivery per the terms of the agreement. The agreement is a common law credit transaction. Mr Green will have

to prove his claim to get the balance due on the vehicle, which claim will rank as concurrent claim.] ✓ **4**

Question 2.6

Who must convene the first meeting of creditors and how is this meeting is convened? **(2)**

[The Master convenes the first meeting of creditors. ✓ The meeting is convened by notice being published in the Gazette ✓ and in two local newspapers in the district, section 39 of the Insolvency Act 24 of 1936 applies.] **2**

Ms Abel urgently needs to sell the movable assets of the insolvent estate, claiming that the sale cannot wait until she receives instructions from the creditors at the second meeting. What steps would Ms Abel need to take in order to sell the assets prior to the second meeting of creditors? Support your answer by referring to the necessary statutory provisions. **(4)**

[Ms Abel must approach the Master ✓ for authority to sell in terms of section 80bis ✓ of the Insolvency Act 1936, if however the movable is subject to the rights of a secured creditor ✓ Ms Abel must obtain the permission of the creditor.] ✓ **4**

Question 2.8

Question 2.8.1

In relation to the foreign assets, indicate whether the immovable property in Italy automatically vests in the insolvent estate of Mr Solar and explain whether Ms Abel will be able to exercise control over the property. **(4)**

Answer:

[The immovable property in Italy will not automatically vest in the insolvent estate, ✓ Ms Abel will have to file an application in Italy to obtain recognition as trustee ✓ to exercise control over the property. If she fails the immovable will remain vested ✓ in Mr Solar according to *Hymore Agencies Durban vs Gin Nih Weaving Factory* 1959 (1) SA 180 (N).] ✓ **4**

Question 2.8.2

Would your answer to the above question be different if the property located in a foreign country is movable property? **(2)**

[The movables in a foreign jurisdiction will vest in the insolvent estate despite it being in a foreign country. Common law states that the movable property of an insolvent vests in the insolvent estate if it is sequestered by a court where the insolvent is domiciled according to *Viljoen vs Venter* 1981 (2) SA 152 (W).] **2**

Question 2.9

Question 2.9.1

Assuming that Mr Solar traded Sum-It-Up Accounting as a partnership, briefly explain how the partnership and the partners are treated in terms of the Insolvency Act when a provisional sequestration order is granted. **(2)**

[A partner does not act for the partnership, there is no sequestration of the partnership. √Mr Solar's insolvency woes are limited to him, the consequence of the final sequestration however dissolves the partnership.] √ **2**

Question 2.9.2

What effect would Mr Solar's sequestration have on the partnership? **(1)**

QUESTION 3 FOLLOWS ON NEXT PAGE / ...

PART 3 - LIQUIDATION (40 MARKS)

QUESTION 3

Questions 3.1 - 3.10 are based on the set of facts provided below. Please answer ALL the questions.

RNH Plastics (Pty) Ltd (RNH) is a private company duly incorporated and registered under the applicable company laws of South Africa. RNH has been operating a profitable injection moulding operation for the past 13 years, manufacturing plastics chairs from a large industrial property in Willowton, Pietermaritzburg.

The Board of Directors consists of Mr Ronald, Mr Naseer and Ms Hlope. RNH occupies the industrial property under a lease agreement with The Willow Family Trust, which is set to expire in 2026.

RNH employs a significant number of staff members, including management, production, sales, maintenance, machine operators and administrative personnel. Most of RNH's employees are represented by MAWU (Moulding and Allied Workers Union), a registered trade union focusing on the interests of employees in the injection and moulding industry.

South Africa is currently facing a severe energy crisis, impacting RNH's manufacturing operations heavily. RNH relies on power to operate its large injection moulding machines, making generator usage economically unfeasible. As a result, RNH is struggling to meet customer demands and has faced contract terminations, further impacting their revenue. Cash shortfalls have hindered RNH's ability to repay creditors and suppliers, resulting in legal actions and judgments against the company, increasing the possibility of liquidation.

In December 2022, amidst the ongoing energy crisis, RNH urgently requires raw material to meet demand. They approach Rand First Bank for a loan, which is granted subject to them registering a general notarial bond over certain of the movable assets as security. The injection moulding plant is already subject to a special notarial bond. Additionally, RNH has a shipment of raw materials at the Durban harbour, but they need funds to pay customs and excise duty before it can be released.

RNH has recorded substantial losses in the 2021 and 2022 financial years, worsened by increasing repo rates and additional cash flow required for monthly repayments on vehicle and truck instalment sale agreements with SABA Bank.

Recognising the dire situation they are in, the Board decide to commence business rescue proceedings on 12 February 2023, and lodge the required documents with CIPC on 14 February 2023. The Board is not aware that an aggrieved creditor, who is owed a substantial sum of money for raw materials supplied, has already initiated a liquidation application against the company which was filed and served by the Sheriff of the High Court on an employee of the company on 11 February 2023. The employee unfortunately placed the documents in his desk drawer and failed to bring the application to the attention of management.

QUESTION 3.1

In the context of the liquidation of RNH, distinguish between commercial insolvency and factual insolvency and provide an example of each. In your answer state whether RNH is commercially or factually insolvent. **(max 5)**

[Factual insolvency means RNH's liabilities exceed its assets √and it is placed in a position where it is unable to pay its debts, here RNH is literally bankrupt, it went and got a loan knowing full well it could not maintain the payments √ because of the non-existent production . Commercial insolvency would mean RNH has an inability to pay √debts even though its assets exceed its liabilities, there is a cashflow challenge, and it cannot liquidate assets fast enough to cover financial short falls, illiquidity.] √ **4**

QUESTION 3.2

Under whose custody and control will the assets of RNH (the company) be once the provisional liquidation order is granted? **(1)**

[The assets will vest in the Master until the appointment of a liquidator.] **1**

QUESTION 3.3

Briefly discuss the general effect the provisional order of liquidation of RNH will have on the employees' contracts of employment. **(3)**

[The contracts of employment will **cease**, employees are not required to render services, √ section 38 of the Insolvency Act 1936 applies. The employees are entitled in terms of section 98 A as preferent statutory creditors to salaries, wages not exceeding 3 months to a maximum amount of R12 000.00 and leave / holidays to a maximum of R4000, severance or retrenchment to a maximum of R12 000.00.] **1 contracts suspended and terminated after 45 days**

QUESTION 3.4

Explain what effect the liquidation order of RNH will have on the lease agreement with The Willow Family Trust which will expire in 2026. In your answer discuss what statutory provisions will apply and discuss whether The Willow Family Trust will have any preference in respect of a claim against the liquidated estate for the arrear rental only. (6)

[Section 85 of the Insolvency Act 1936 applies, the landlord's legal hypothec √secures outstanding rental prior to and upto the date of sequestration. √ Willow Family Trust will have a preference over the movables at the property.]2
