## PART 2 - SEQUESTRATION (40 MARKS)

### QUESTION 2

Questions 2.1 - 2.9 are based on the set of facts provided below. Answer ALL the questions.

Mr and Mrs Solar were married to each other out community of property in 2012. They reside in a four-bedroom property in an upmarket country estate on the beautiful east coast in Ballito, KwaZulu-Natal. The immovable property is subject to a mortgage bond in favour of ABC Bank. The marital home is fully furnished and the Solar's acquired some beautiful luxury and antique furnishings during the course of their marriage. In the latter part of 2021 Mr Solar donates a valuable and timeless Victorian sofa and server to his wife which she proudly exhibits in the home. The remaining furniture and antiques have been paid for in cash, apart from the photocopier in the home office which is subject to a lease agreement concluded with Speedy Copiers (Pty) Ltd by Mr Solar.

Mr Solar also owns a small apartment in Florence, Italy where the family enjoy spending their annual holiday.

Mr Solar drives a 2022 BMW X5 which was purchased on instalment sale agreement and financed by FCM Vehicle Finance Ltd. Mrs Solar drives a 2016 Hyundai i20 which Mr Solar purchased from Mr Green in terms of an ordinary credit sale agreement. The agreement was concluded on 5 August 2022. Mr Solar paid a deposit in the sum of R20,000 and by agreement ownership in the vehicle had passed on delivery. The balance of R80,000 is due to be paid by way of monthly instalments of R10,000 each until the balance is paid, to date, Mr Solar has paid R40,000 in terms of the agreement.

On 5 December 2022 and after being pressured by Mr Hasty, an irate creditor who loaned Mr Solar money, Mr Solar delivers one of his valuable antique clocks to him to settle his debt in full.

On 5 January 2023 an application for the sequestration of the estate of Mr Solar is filed in the KwaZulu-Natal High Court Division, Durban at the instance of Axit Finance in respect of an unpaid personal loan. Mr Solar's estate is provisionally sequestrated on 15 January 2023 and the order is made final on 20 February 2023.

On the date of sequestration Mr Solar is a director of an accounting firm, Sum-It-Up (Pty) Ltd and earns a generous salary of R120,000 per month. Mrs Solar works at the local high school as a teacher and earns R25,000 per month.

Two months after the final order of sequestration is granted, Mr Solar inherits R500,000 from his father, which inheritance he accepts on 1 May 2023. Mrs Solar decides to resign from her position at the local school and receives a pension pay out of R600,000. Mr Solar has a life-insurance policy in terms of which he is the life insured. The surrender value of the

policy is R800,000 and the policy has been in force from 1 February 2018. In December 2022 a job opportunity as a sales representative, earning an average income and just sufficient for Mr Solar to support his family, becomes available to Mr Solar and the Solar family decide to relocate to Gauteng.

Ms Abel is appointed as the provisional trustee of Mr Solar's estate and the trustee's appointment is made final at the first meeting of creditors on 10 April 2023. The second meeting of creditors is held on 5 June 2023. Axit Finance fails to lodge its claim at either the first or second meeting and approaches Ms Abel on 6 September 2023 to prove its claim.

### Question 2.1

On the date of the sequestration order of Mr Solar, the principle known as *concursum creditorum* will apply. Explain the concept of *concursum creditorum* and how this will affect the creditors of the estate. In your answer refer to relevant case law. (4)

The principle of *concursum creditorum* is derived from Latin which in essence relates to the "coming together of creditors" or forming the general body of creditors. The winding up of an estate is overseen by the Master of the High Court and facilitated by the Trustee or Liquidator, the process is highly creditor driven. This affects the creditors of the insolvent estate by:

- All creditors with proven claims against the estate will be treated equally and will share in the distribution of available assets according to their ranking determined. ✓
- In *Walker v Syfret*, ✓ the Court emphasized that no transaction can be entered into with regard to estate matters by a single creditor to prejudice the general body. This, also, outlays the principle of no set-offs to be applied. ✓
- The application of the principle ensures that no particular creditor receives preferential treatment and all creditors have to stand in line to receive their share of the estate's assets based on the legal hierarchy at the date the order was granted. ✓
- In *Nedbank v Chance 2008*, the Court mentioned that though rectification of a contract is possible after *concursum creditorum*, a creditor is not entitled to rectification of a contract after insolvency which would increase the preferential claim of that creditor. 4

### Question 2.1

Write a short paragraph and explain what possible remedy is available to Ms Abel to deal with the antique clock which Mr Solar delivered to Mr Hasty in full and final settlement of his claim. In your answer refer to the relevant section of the Insolvency Act that will apply and what requirements must be met. (7)

Although section 82(6) of the Insolvency Act excepted certain movable assets from the estate, this does not include luxury items and antique furniture. Therefore, this will result in

a disposition which arguably diminished a portion of the value of the estate assets. Ms Abel has a possible remedy of a voidable preference as envisaged in s 29 of the Insolvency Act, in which she can argue that the asset must be returned to the estate and the transaction set aside. The transaction has met the requirements to apply the remedy due to firstly, the prerequisite of sequestration taking place. Secondly, preference was awarded to Mr Hasty who was an unsecured creditor at the time of the transaction. Thirdly, Mr Solar was insolvent at the time or it can be argued that he became insolvent as a result of the disposition of the asset. Lastly, the asset was disposed of within 6 months of the provisional sequestration order. Furthermore, the transaction did not occur within the ordinary course of business nor was Mr Solar liquid to satisfy the debt without prejudicing the estate creditors.

Section 30(1) deals with undue preferences (1) - the trustee must prove (1) - (a) that there was a disposition of property (1) - (b) that was made any time before sequestration (1) - (c) at a time when the insolvent's liabilities exceeded his assets (1) - (d) that the disposition was made with the intention of preferring one of his creditors above another (1) - (e) the trustee must also prove the subjective intention of the debtor, which can be shown that the debtor was aware of the debtor's insolvent estate or contemplated sequestration but nevertheless made the disposition (1)

### Question 2.2

Axit Finance, as the applicant creditor seeking a provisional order of sequestration against Mr Solar, must meet specific requirements outlined in section 10 of the Insolvency Act. Write a short paragraph setting out the requirements that must be met. (5)

Axit Finance must prima facie prove that firstly, √ they qualify as a creditor who may bring such application as they owed a minimum of at least R 100. √ Secondly, Axit Finance must prove that the debtor is factually insolvent √ or has committed an act of insolvency. √ Lastly, Axit Finance must prove that the sequestration order would be to the advantage of the creditors. √ 5

### Question 2.3

With regards to the inheritance that Mr Solar receives from his father after the sequestration order, explain whether the R500,000.00 inheritance will vest in the insolvent estate. In your answer refer to relevant case law. (3)

The inheritance will vest in the estate. In *Brown v Oosthuizen* the Court held that in respect of inheritance accruing to an unrehabilitated insolvent, the right immediately vests in the trustee of the estate. Should the will make mention or indicate that it should not form part of Mr Solar's estate (due to the insolvency), it will regardless vest in the trustee and form part of the assets of the insolvent estate due to the findings of the Court in *Vorster v Steyn* which held that such a provision is not recognized. See *Wessels v de Jager*

### Question 2.4

For the purpose of this question, assume that Mr and Mrs Solar are married **in community of property** and their joint estate was sequestrated. Explain whether the pension pay-out of R600,000 that Mrs Solar receives will vest in the joint insolvent estate. In your answer refer to the applicable section of the Insolvency Act that applies. (2)

No it will not form part of the joint insolvent estate as per section 23(7) of the Insolvency Act. **2**

### Question 2.5

With reference to the motor vehicle driven by Mrs Solar, briefly explain whether ownership of the vehicle vests in the insolvent estate at the date of sequestration. Additionally, discuss whether Mr Green would have a claim against the estate in respect to the vehicle and, if so, specify the type of claim he would have. (4)

Section 84 of the Insolvency Act will not apply due to the transaction being an instalment sale agreement in terms of the National Credit Act. ✓ The sale was a credit sale of movable property and in order for the ownership to pass to Mr Solar, ✓ delivery has to occur. It will therefore form part of the insolvent estate and Mr Green will have a concurrent claim for outstanding purchase price. ✓ **3**

### Question 2.6

Who must convene the first meeting of creditors and how is this meeting is convened? (2)

The Master of the High Court usually convenes the first meeting in the district where the insolvent resided. **1 Government Gazette**

### Question 2.7

Ms Abel urgently needs to sell the movable assets of the insolvent estate, claiming that the sale cannot wait until she receives instructions from the creditors at the second meeting. What steps would Ms Abel need to take in order to sell the assets prior to the second meeting of creditors? Support your answer by referring to the necessary statutory provisions. (4)

The Master may at any time before the second meeting ✓ authorise the sale of property subject to conditions and in a manner the Master may direct. ✓ According to section 80 ✓ of the Insolvency Act, Ms Abel has to prepare an application to sell the assets. However, should the asset be encumbered, permission by the secured creditor must be provided together with the application submitted to the Master. ✓ **4**

### Question 2.8

### Question 2.8.1

In relation to the foreign assets, indicate whether the immovable property in Italy automatically vests in the insolvent estate of Mr Solar and explain whether Ms Abel will be able to exercise control over the property. (4)

Answer:

Ms Abel has to first obtain recognition of the appointment as trustee from the relevant Italian court. ✓ Should she fail to obtain this recognition, the property remains vested in Mr Solar. ✓ In terms of the South African law, the local property automatically form part of the estate. ✓ **3**

### Question 2.8.2

Would your answer to the above question be different if the property located in a foreign country is movable property? (2)

Yes, in accordance with common law the element of recognition is not necessary. Movable property in a foreign country will form part of the insolvent estate if the estate is sequestrated by the court where the insolvent is domiciled. However, Mr Solar is currently domiciled in Gauteng and the order was granted in Kwa Zulu Natal. **2**

### Question 2.9

#### Question 2.9.1

Assuming that Mr Solar traded Sum-It-Up Accounting as a partnership, briefly explain how the partnership and the partners are treated in terms of the Insolvency Act when a provisional sequestration order is granted. (2)

The sequestration order does not follow the the partnership estate or the individual estates of the remaining partners. ✓ The partnership will also be terminated. ✓ **2**

#### Question 2.9.2

What effect would Mr Solar's sequestration have on the partnership? (1)

The partnership will be terminated. **Sequestrated**

## PART 3 - LIQUIDATION (40 MARKS)

### QUESTION 3

Questions 3.1 - 3.10 are based on the set of facts provided below. Please answer ALL the questions.

RNH Plastics (Pty) Ltd (RNH) is a private company duly incorporated and registered under the applicable company laws of South Africa. RNH has been operating a profitable injection moulding operation for the past 13 years, manufacturing plastics chairs from a large industrial property in Willowton, Pietermaritzburg.

The Board of Directors consists of Mr Ronald, Mr Naseer and Ms Hlope. RNH occupies the industrial property under a lease agreement with The Willow Family Trust, which is set to expire in 2026.

RNH employs a significant number of staff members, including management, production, sales, maintenance, machine operators and administrative personnel. Most of RNH's employees are represented by MAWU (Moulding and Allied Workers Union), a registered trade union focusing on the interests of employees in the injection and moulding industry.

South Africa is currently facing a severe energy crisis, impacting RNH's manufacturing operations heavily. RNH relies on power to operate its large injection moulding machines, making generator usage economically unfeasible. As a result, RNH is struggling to meet customer demands and has faced contract terminations, further impacting their revenue. Cash shortfalls have hindered RNH's ability to repay creditors and suppliers, resulting in legal actions and judgments against the company, increasing the possibility of liquidation.

In December 2022, amidst the ongoing energy crisis, RNH urgently requires raw material to meet demand. They approach Rand First Bank for a loan, which is granted subject to them registering a general notarial bond over certain of the movable assets as security. The injection moulding plant is already subject to a special notarial bond. Additionally, RNH has a shipment of raw materials at the Durban harbour, but they need funds to pay customs and excise duty before it can be released.

RNH has recorded substantial losses in the 2021 and 2022 financial years, worsened by increasing repo rates and additional cash flow required for monthly repayments on vehicle and truck instalment sale agreements with SABA Bank.

Recognising the dire situation they are in, the Board decide to commence business rescue proceedings on 12 February 2023, and lodge the required documents with CIPC on 14 February 2023. The Board is not aware that an aggrieved creditor, who is owed a substantial sum of money for raw materials supplied, has already initiated a liquidation application against the company which was filed and served by the Sheriff of the High Court on an employee of the company on 11 February 2023. The employee unfortunately placed the documents in his desk drawer and failed to bring the application to the attention of management.

### QUESTION 3.1

In the context of the liquidation of RNH, distinguish between commercial insolvency and factual insolvency and provide an example of each. In your answer state whether RNH is commercially or factually insolvent. **(max 5)**

Firstly, √factual insolvency stems from the principle of liabilities outweighing the assets. √ Commercial insolvency relates to the inability to pay debts as they become due and payable. √In respect of RNH, it is unclear whether their liabilities exceed their assets, √however it is apparent that they are struggling to meet their financial obligations as they become due and payable so they are therefore commercially insolvent. √ **5**

### QUESTION 3.2

Under whose custody and control will the assets of RNH (the company) be once the provisional liquidation order is granted? **(1)**

The Master of the High Court. **And then liquidator**

### QUESTION 3.3

Briefly discuss the general effect the provisional order of liquidation of RNH will have on the employees' contracts of employment. **(3)**

Employees should be informed clearly that their position is either temporary or on a month to month basis and create no expectation should be created for certain or regular employment.
