Dear Amy

Case Study II Results

Case study II results have been finalised and approved by the core committee. Your mark for Case study II was **9.0** which is graded as **Excellent**.

Below is an evaluation of your paper by the examiner.

Very professional setup with nice structure charts, annexes. Clear writing style. Plan content and outcome perfectly transparent, meeting the key objectives. Also clear on stakeholder positions, major gating items (consent thresholds...) and key (missing) facts driving the outcomes for the stakeholders. Good use of precedents/case law.

Very thorough, on point analysis of tools/frameworks and their application to the case. Excellent identification of missing information. Same on recognition issues, frameworks, and their application and on UK questions, Gibbs.

We are pleased to inform you that you passed Case study II as the required pass mark was 5.00. Congratulations!

Kind regards
