Dear Saurav

Case Study II Results

Case study II results have been finalised and approved by the core committee. Your mark for Case study II was **8.0** which is graded as **Very Competent**.

Below is an evaluation of your paper by the examiner.

Good engagement with structure, stakeholders and objectives. Good consideration of available tools and frameworks- but potentially no completely on point? Not entirely clear how the RO entity is supposed to become subject to the WHOA- for its own debts, i.e. including the drivers (jurisdiction). Therefore same for concurrence/interplay with RO proceedings (first past the post, ok maybe- but only if RO COMI is in NL). No full COMI analysis. OK use of materials, precedents.

Good identification of potential impediments (e.g. Gibbs). All in all very detailed and thorough.

We are pleased to inform you that you passed Case study II as the required pass mark was 5.00. Congratulations!

Kind regards
