Dear Eddee

Case Study II Results

Case study II results have been finalised and approved by the core committee. Your mark for Case study II was **6.5** which is graded as **Competent**.

Below is an evaluation of your paper by the examiner.

Interesting discussion on ch. 11 as tool and its possibilities and limitations; albeit possibly slightly optimistic on the former where it concerns the foreign companies. Good on recognition (im)possibilities. Very good analysis on EIR jurisdiction, recognition. Unfortunately missed the non-public/non-EIR WHOA option. Does not follow through fully on what the restructuring plan will look like, what solution will be implemented to allow/enable/execute the KuasaNas deal (and meet the other key objectives).

Good analysis of ch11 jurisdiction, stay, recognition (NL, RO), maybe not fully baked but grasp of the issues. Some consideration on UK, but not full on all aspects of recognition/Brexit, Gibbs...

WHOA, good but not entirely on point on some issues like class formation, insolvency practitioner. Smart on EIR analysis/interaction between RO, NL proceedings, COMI.

No real attention for stakeholder management.

We are pleased to inform you that you passed Case study II as the required pass mark was 5.00. Congratulations!

Kind regards
