Dear Omar

Case Study II Results

Case study II results have been finalised and approved by the core committee. Your mark for Case study II was **8.25** which is graded as **Very Competent**.

Below is an evaluation of your paper by the examiner.

Good engagement with structure. Fairly but not overly professional form. Clear view on situation and issues. Not clear on whether/how RO entity becomes subject to WHOA proceedings...? Overall good on consideration of instruments and good preliminary / high level approach to the case, fairly but not overly professional form. Limited engagement with all potential issues and impediments (directors, governing law of debts, local enforcements/creditors, cross-guarantees...). All in all demonstrates good understanding of the key issues and solutions and clear view, creativity: but (lack of time?) (too) broad brush.

We are pleased to inform you that you passed Case study II as the required pass mark was 5.00. Congratulations!

Kind regards
