Dear Jaufre

Case Study II Results

Case study II results have been finalised and approved by the core committee. Your mark for Case study II was **8.25** which is graded as **Very Competent**.

Below is an evaluation of your paper by the examiner.

Very professional form. Good analysis of structure (chart) and assets and liabilities. Clear form, setup, overall plan of action. Same on view of how to deal with stakeholders/situations, including RO drivers, local directors, FIA... Try consensual workout first: good. Good engagement with various tools and frameworks, recognition requirements.

Interesting takes on restructuring plan options and their implementation: good research and well thought through. Keeps eyes closely on the ball as to what needs to be achieved, implemented.

We are pleased to inform you that you passed Case study II as the required pass mark was 5.00. Congratulations!

Kind regards
