Dear Nina

### **Case Study II Results**

Case study II results have been finalised and approved by the core committee. Your mark for Case study II was **7.25** which is graded as **Competent**.

Below is an evaluation of your paper by the examiner.

***Good catch on F1 licenses. Useful reasoning on cash flows. Some useful thoughts on implementing KN deal - in any case, on point that that is the key thing to implement.***

***Good consideration of the WHOA as a tool but seems to not completely grasp the jurisdiction point...? How do the three foreign entities have COMI in the NL (as public proceedings proposed - might have chosen confidential instead). Glosses over until the very end and then no really satisfactory answer (group COMI... not really).***

***Very thorough analysis of frameworks and relevant case law. OK (but slightly off/simplistic) analysis of UK options. Extensive use of sources, materials. From quite (but not extremely) professional.***

We are pleased to inform you that you passed Case study II as the required pass mark was 5.00. Congratulations!

Kind regards
